1 Quality of Beer/Cider/Perry. That's quality. Not did you like it or how many there are available. It should not be relevant whether pub is tied or free. (NB. out of 20)							
2 Style/Décor/Cleanliness. Is it a comfortable and pleasant place to be? Is it clean (inc. toilets)? Is the décor and furnishing appropriate to the style of pub? (out of 10)							
3 Service and Welcome. Are you treated like a valued customer? Are the staff polite, knowledgeable, and proficient? Does the pub offer other products and services which might enhance a visit? (Local produce, Wi-Fi, etc.) Taking into account style and location is it reasonable value for money? (out of 10)							
4 Community Focus and atmosphere. Where appropriate, does the pub have a community focus? (Local events, 'what's on', etc.) Information on the local area for visitors? Is the pub inclusive, whatever that means? (out of 10)							
5 Alignment with CAMRA values. Are prices and opening hours displayed? Do you get a full pint? Is real ale (and cider if appropriate) promoted? Is there a range of beer styles and strengths (if justified by volume of trade). (out of 10)							
6 Overall impression. Is it worth the journey? Did you enjoy it? Would you like to stay longer or do you look forward to a return visit? (out of 10)
